Media / Tape Vaulting
& Rotation Service

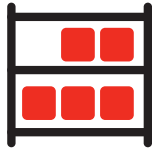

MEDIA/TAPE VAULTING AND ROTATION

SOLUTIONS THAT GUARANTEE BUSINESS CONTINUITY AND RESILIENCE

Backing up your data is not enough anymore. Strategic decisions should be made on:

Where to store the backup

Storage conditions

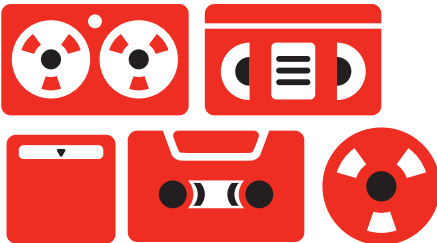

Rotation schedules

Pickup & delivery methods

Such decisions can make it or break it in times of disasters or urgent need.

InfoFort offers effective tape vaulting and rotation services. Our storage facility guarantee the security & accessibility of your tapes or any other type of media:

- Data Cartridges
- DLT / LTO
- Tapes
- Cassettes
- Reels

HOW IT WORKS

1

DEFINE

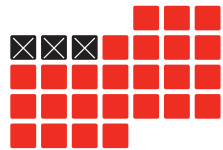

Based on your business objectives, InfoFort's team will analyze your needs, provide the steps to carry out and define the most suitable vaulting solution.

2

COLLECTION AND RETRIEVAL

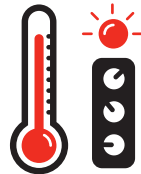

InfoFort's team will collect your backup media from your office on a daily / weekly / monthly basis and return it on a predefined schedule.

The media is transported to and from InfoFort's secure vaults

Under tight security in specially designed containers

Under temperature and humidity controlled conditions

HOW IT WORKS

3

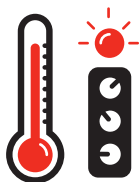

STORAGE

All media are stored in Infofort's highly secure vaults that are designed to withstand internal and external threats.

THE VAULTS ARE :

Equipped with FM 200 gas suppression fire fighting system

Temperature monitoring systems : temperature (15C-25C) & humidity (40%-55%) maintained

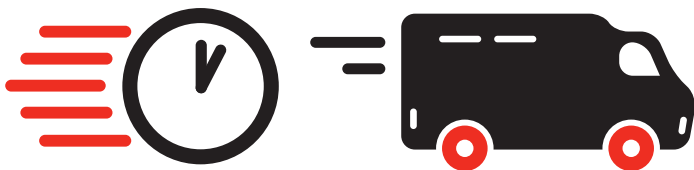

Anti-static flooring and shelving

CCTV & motion detectors

4

UNSCHEDULED RETRIEVALS

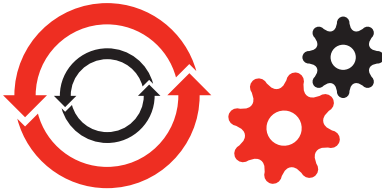

InfoFort guarantees immediate action to any unscheduled retrieval due to an emergency or other and will deliver the media or tape anytime and any day it's required.

BENEFITS

1

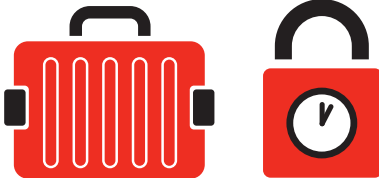

DISASTER RECOVERY

Fulfills your risk management and disaster recovery needs and ensures business continuity.

2

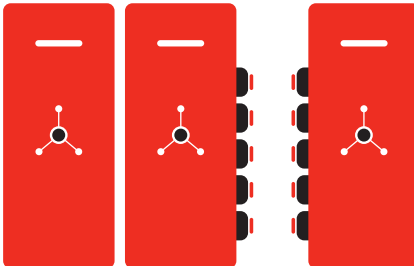

RELIABLE, 24/7 RESPONSE

InfoFort ensures that your media or tape is timely picked up, stored, secured and delivered.

3

COMPLIANT

InfoFort's secure vaults are compliant with global industry standards and infrastructure.

BENEFITS

4

ECONOMICAL

You no longer have to build a large and expensive Vault to accommodate the storage of your media or tape. By using InfoFort's Media Vaulting & Rotation service, you only pay for what you store.

Cost of your daily branded coffee

Cost of vaulting 1 back up tape Per month
